**H.B. Nagendra Prasad**  
**President**

**Place: Bangalore**  
**Date: January 14,2021**

**9. Party Information:-**

**Karnataka Makkala Paksha** ('Political Party') was registered on 13<sup>th</sup> July, 2011 under Section 29A of the Representation of the People Act, 1951. The area of operation of the Party shall generally be within the territorial boundary of India and specifically be within the territorial boundary of State of Karnataka.

The Party was formed on 28<sup>th</sup> March, 2011 by Party Members through a duly constituted meeting of the Party Members held on 28<sup>th</sup> March, 2011. The registered office of the Party is situated at No.9, Block IV, JSS Employee's Layout, Sathagalli, Nazarabad Mohalla, Mysore-570011, Karnataka.

The Party's aim and objective is to work for the realization of a social order and political system based on the ideals of justice, liberty, equality and fraternity enshrined in the Indian Constitution; and to promote and achieve, in republican and democratic environs, an inclusive participation and development for all citizens and classes in the spheres of Social, Economic and Political endeavors in the State of Karnataka.

**10. Significant accounting policies and Note to Accounts**

**10.1 Basis of accounting and preparation of financial statements**

The financial statements of the Political Party have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards notified under the Companies (Accounting Standards) Rules, 2006 (as amended) and also as recommended in the Guidance Note on Accounting & Auditing of Political Parties issued by ICAI.

The financial statements have been prepared on accrual basis under the historical cost convention.

**10.2 Expenditure**

Expenses are accounted when it is probable that the consumption or loss of future economic benefits resulting in a reduction in assets and /or increase in liabilities has occurred or the consumption or loss of future economic benefits can be measured reliably.

Under accrual basis, expenses are recognized on the following basis:-

- (a) **Identification with revenue transactions:** Costs directly associated with the revenue recognized during the relevant period (in respect of which whether money has been paid or not) are considered as expenses and are charged to income for the period.
- (b) **Identification with a period of time:** In many cases, although some costs may have connection with the revenue for the period, the relationship may be so indirect that it may be impracticable to attempt to establish it. However, there is a clear identification with a period of time. Such costs are regarded as 'Period Costs' and are expensed in the relevant period eg., salaries, telephone, travelling, depreciation on Office Building, etc. Similarly, the costs the benefits of which do not clearly extend beyond the accounting period are also charged as expenses.

Expenses relating to a future period are accounted for as 'Prepaid Expenses' even though they are paid for in the current accounting period. Similarly, expenses of the current year, for which payment has not yet been made are accounted as 'Outstanding Expenses', are charged to the Income & Expenditure Account for the current accounting period.

### **10.3 Fixed Assets**

Fixed Assets are stated at cost, less accumulated depreciation and impairment loss if any. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use

Advance paid towards acquisition of fixed assets, and the cost of assets not put to use as at the year-end are disclosed as Capital work-in-progress.

Intangible assets will be recorded at the consideration paid for acquisition.

### **10.4 Depreciation**

Depreciation on Fixed Assets has been provided at WDV (Written down Value) as per the rate and in the manner specified in the Income Tax Act, 1961 and the Rules framed there under.

### **10.5 Impairment of Assets**

At the end of each year, the Party determines whether a provision should be made for impairment loss on fixed assets by considering the indications that an impairment loss may have occurred in accordance with Accounting Standard 28 on Impairment of Assets. Where the recoverable amount of any fixed asset is lower than its carrying amount, provision for impairment loss on fixed assets is made for the difference.

Recoverable amount is the higher of an assets net selling price and value in use. In assessing value in use, the estimated future cash flows expected from the continuing use of the asset and from its disposal are discounted to their present value using a pre-tax discount rate that reflects the current market assessments of time value of money and the risks specific to the asset

Reversal of impairment loss is recognized immediately as income in the profit and loss account.

### **10.6 Borrowing Cost**

Borrowing cost attributable to acquisition and construction of qualifying assets are capitalized as a part of the cost of such asset up to the date when such asset is ready for its intended use. Other borrowing costs are charged to Profit & Loss Account.

### **10.7 Foreign Currency Translation**

Foreign currency transactions during the year are translated at the exchange rates prevailing on the respective date of transaction. Monetary Assets and Liabilities outstanding in foreign currency as on the date of the Balance Sheet are translated at exchange rates prevailing as on the last day of the relevant financial year.

Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction;

Exchange differences arising on the settlement of monetary items or on reporting company's monetary items at rates different from those at which they were initially recorded during the

year, or reported in previous financial statements, are recognized as income or as expenses in the year in which they arise

Difference in Exchange rates on account of translation of monetary assets and liabilities as on the date of balance sheet is considered as an expense/income for the period and is charged to income statement for the year.

### **10.8 Investments**

Investments are categorized into Long Term Investments and Current Investments. Long Term Investments are stated at cost unless there is a decline, other than temporary, in value thereof in which case the recorded value is reduced to recognize the decline. Current Investments are carried at lower of Cost or Fair Market value as on the date of Balance Sheet

### **10.9 Revenue Recognition**

Revenue is recognized to the extent it is probable that the inflow or other enhancement of future economic benefits has occurred to the Political Party and the inflow and other enhancement of future economic benefits can be measured reliably.

Voluntary Contributions, Membership Fees & Donations are recognized on Cash basis. All other Income having material bearing are recognized on Accrual basis.

### **10.10 Provisions & Contingencies**

Provision is made for all known Losses and Liabilities, if any. However, no Provision has been made as there are no known losses or liabilities.

Even no provision for Income Tax has been considered necessary as the Party has complied with the applicable provisions of the Income Tax Act,1961 and the Representation of People Act,1951 for claiming its income exempt from Tax U/s.13A of Income Tax Act,1961.

Also there are no Contingent Liabilities for the Financial Year 2019-20.

## AUDITOR'S REPORT

To  
**The President**  
**Karnataka Makkala Paksha**

We have audited the attached Balance Sheet of **Karnataka Makkala Paksha**, as at 31<sup>st</sup> March, 2020, and also the Income and Expenditure Account for the year ended 31<sup>st</sup> March, 2020. These Financial Statements are the responsibility of the Management of Karnataka Makkala Paksha. Our responsibility is to express an opinion on these Financial Statements based on our Audit.

We conducted our audit in accordance with the Auditing Standards generally accepted in India. Those Standards require that we plan and perform the audit to obtain reasonable assurance about whether the Financial Statements are free from material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by Management, as well as evaluating the overall financial statements presentation. We believe that our audit provides a reasonable basis for our opinion.

Further, we report that:

- (i) We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit;
- (ii) In our opinion, proper books of account have been kept by the Karnataka Makkala Paksha so far as appears from our examination of those books ( and proper returns adequate for the purposes of our audit have been received from the branches not visited by us);

- (iii) The Balance Sheet, Income and Expenditure Account dealt with by this report are in agreement with the books of account.
- (iv) In our opinion and to the best of our information and according to the explanations given to us, the said accounts give a true and fair view in conformity with the accounting principles generally accepted in India:
- a) in the case of Balance Sheet, of the state of affairs of the Karnataka Makkala Paksha as at 31<sup>st</sup> March,2020
- b) in the case of Income and Expenditure Account, of the Surplus for the year ended 31<sup>st</sup> March,2020
